*"Don't ever underestimate the impact you may have on someone else's life."*

Twenty years ago, the Connecticut Breast Health Initiative committed to finding answers to a very complicated disease: breast cancer.

The monies we raise annually are strategically and wisely targeted at the projects of CT based breast cancer researchers. 100% monies raised in CT stay in CT.

Your partnership and financial sponsorship of the 20th Anniversary RACE IN THE PARK, a Mothers' Day Weekend Tradition, May 13, will allow CT BHI to fund innovative work right here at home!

Please take a moment to read the enclosed brochure and choose to JOIN US for this important cause in a unique year! Fill out the mail-in form with your support below, or visit [CTBHI.org/RACEsponsorform](http://CTBHI.org/RACEsponsorform).

Thank you in advance,
