

# WALK OF LIFE

## Supporting Breast Cancer Research

### One Brick at a Time

CT Breast Health Initiative is raising money for groundbreaking breast cancer education and research projects right here in Connecticut. 100% of the money raised here stays in Connecticut bringing us closer to the next breakthrough and ultimately an answer to breast cancer. Remember or honor a loved one, support the cause as an organization or individual, by buying a brick with the loved one's name on it. Bricks will be placed in Walnut Hill Park in New Britain, CT.
